

Come along with me...

under the sea!

Let's dive into the wonderful world of water, wind, sand, and sea creatures as we sail through science, music, art, reading, math and movement.

Ride the wave to fun and learning this summer!

Ages: fours

Days: Tuesdays, Wednesdays, and Thursdays

Choose 1, 2, or all 3 days

Time: 9-3

Dates: June 8th - August 12th

Mrs. Hugg will conduct her lessons in the morning and leave at noon. The afternoon will consist of lunch, a rest period, outdoor time (weather permitting), completing the morning project if necessary and lesson review.
